THIS IS THE MEASUREMENT FOR "HIP TO BUM"

THIS IS HOW TO MEASURE FOR

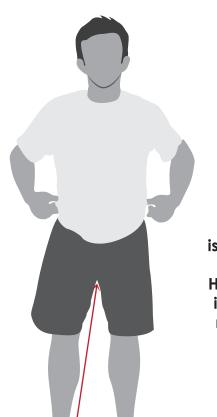

"CHEST", "WAIST", "HIP" AND "THIGH"

Measure around the body.

Start at the front and end at the same place.

INSEAM MEASUREMENT

Make sure that the person's clothing is pulled up against the body.

Measure from the crotch, down the leg to the floor.

This measurement is taken without shoes.

However, if the person is wearing shoes, just make a note on the order form.
